

N-Tech

Thank you for your interest in North Texas Enrichment Classes for Homeschoolers (N-Tech). Our goal is to provide extra educational opportunities to children from infant through high school.

Our parent-taught co-op meets on Mondays at Four Corners Church from 9:00 a.m. until 3:00 p.m. This time period allows students to take five classes with a lunch break and a 20 minute assembly in the middle of the day on the first and last Mondays. Special assemblies are called if they are necessary.

On our website, you will find the following:

- Application for N-Tech
- N-Tech's Doctrinal Statement
- N-Tech Arbitration Agreement
- Discipline Policy
- A Guide for Teaching
- How to Be an Assistant
- Rules and Guidelines for N-Tech
- Teacher's Guide
- Frequently Asked Questions
- Sample Class Schedule

Submitting an application (including the signed doctrinal statement and the arbitration agreement) along with the \$40 registration fee places your family on the waiting list for the next semester. We will contact you when we receive your application.

N-Tech admits students of any race, color and national or ethnic origin to all of the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship, athletic and other school administered programs.
